

WHERE

MEANING *Lives*

This is gifting with soul.
A curated offering of pieces
that speak softly and stay longer.
Crafted not just to be seen, but
to be felt. In every detail, there's
a story. In every story, a brand
that cares.

CONTENTS

MORNING *calm*

Wake up slow, sip your coffee, set your intentions and let your thoughts flow with pen in hand.

CRAFTED FOR *clarity*

Light a candle, take a breath, these pieces help you pause, reflect and do what you love with focus.

CURATED *table*

Gather your people, set the table, serve, share and make memories with every board and bowl.

QUIET *moments*

Clear your mind, journal your thoughts, designed for reflection and a little quiet in your day.

A MERCHANTISER'S *palette*

Thoughtfully selected tones that connect collections, simplify kitting, and enhance presentation.

GIFT *sets*

Whatever the occasion, wrap it up beautifully with our ready to give, thoughtfully curated gift sets.

THOUGHTFUL *luxury*

This season, we invite you to explore our latest gifting catalog, a collection where branded merchandise becomes more than just a gift. Every item is chosen with purpose, made with care, and designed to live in someone's home and heart.

Our approach to branding is intentional and refined, with minimal decoration that enhances rather than overwhelms. This is not a departure from who we are. It is an evolution, a deeper commitment to creating gifts that inspire, connect, and build lasting emotional moments.

Inside, you'll find more than beautiful products. You'll find stories of skill, intention, and the belief that meaningful gifting is about giving something truly worthy. Let's create gifts that live on, in homes, in hearts, and in a brand's story.

WITH A CURATED, SMALL-BATCH APPROACH, SELECT STYLES ARE RELEASED AS MINDFUL, *limited* DROPS — HERE FOR A MOMENT AND CRAFTED TO RESONATE LONG AFTER.
