- Canada's best-selling multibit screwdrivers, now in the USA! Manufactured in Canada for over 35 years.
- Picquic drivers deliver the solid feel of a premium single-blade screwdriver, with the added convenience of multiple bits in one handle.
- Picquic screwdrivers are made with the highest-grade materials to ensure they last a lifetime, and even come with a lifetime guarantee.

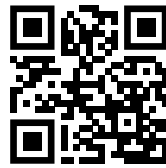

HOW THE PICQUIC INSTANT-BIT-CHANGE SYSTEM WORKS:

Each screwdriver stores a set of driver bits in a solid ergonomic handle. Unlike traditional screwdrivers, the unique Picquic system allows for bit storage and selection to occur at the same time. This simple but ingenious design feature allows you to swap out bits for the task at hand, while keeping the ones not in use safely stored.

BEST SELLER

U.S. Patent: 11,241,782
other patents pending.

Scan For a Video

Instant bit-change system:
Pushing a bit into the rear automatically ejects the next bit selected.

ARTWORK REQUIREMENTS:

We accept electronic art and camera ready artwork. We prefer an EPS file with all text converted to curves or outlines. We do not recommend JPEG, BMP, or GIF files as they are usually of poor quality. We can accept art designed in Adobe Illustrator, Adobe Photoshop and Corel Draw. Please reference your company name and PO # in your e-mail. Manipulation of art may incur a charge.

CANCELLATIONS:

All cancellations must be made in writing. Cancellations will be accepted only if the order has not been put into production. Customers are responsible for all costs incurred up to the time of cancellation.

CLAIMS:

Damaged merchandise or shortages must be made in writing within 7 days of receipt of order.

DISCLAIMER:

We cannot guarantee the exact color or shade of finished product between orders. Although it is very rare, it is possible for an item to be of a slightly different color or shade from one order to the next.

DROP OR SPLIT SHIPMENTS:

There is a \$12.00 (G) charge per location. Maximum drop ships vary by item. Inquire within for details.

LESS THAN MINIMUMS:

Absolute minimums and charges vary by item. Inquire within for details and charges.

PATENTS, COPYRIGHTS, AND TRADEMARKS:

Orders produced to customer's specifications require the purchaser to assume all liability resulting from actions or demands brought against us for any infringements.

PAYMENT TERMS:

Net 30 days with approved credit. We accept Visa and Master Card. There will be a 3.5% processing fee on invoices paid by credit card.

PRICING:

All prices are subject to change without notice, however we will do our best to hold all pricing. Visit our website for the most up to date pricing.

PROP. 65:

Prop 65 was created through the ballot initiative process and was intended to inform California citizens by requiring a warning when a product contains one of 900 substances designated by the state as potentially causing cancer, reproductive harm, or birth defects. A Proposition 65 warning label does not mean a product violates any health or safety rule. Although the Prop 65 is not new, the regulations implementing it have changed, which may change how we provide warning labels for our products.

Since products are being reformulated and retested all the time, please refer to our website, for the latest Prop 65 status and warning labels if any are required.

RETURNS:

Merchandise cannot be returned without approval. No merchandise will be accepted after 30 days from receipt. All merchandise must be returned in their original packaging with all instructions and all appropriate materials included.

RIGHT TO PROMOTION:

We reserve the right to use all logos in our displays and advertising unless we are notified in writing at the time the order is placed.

SAMPLES:

All samples are billed at EQP. All next day air sample requests must be received no later than 11:30 am EST on the day of the shipment. Please provide UPS or Fed-Ex account numbers for all shipments. We do not ship DHL. Samples may be returned within 30 days of receipt for credit on most items. Customer is still liable for all freight costs.

SET UP CHARGES:

Set up and Repeat set up charges are item specific. Please see item page or visit our website for details.

All art is kept for at least 2 years. Any change to art will incur a new set up charge.

SPEC SAMPLES:

Spec samples are available on most items. Charges and availability vary by item. Inquire within for details.

THIRD PARTY SHIPPING:

There will be a \$6.25 (G) charge per carton with a third party shipping number.
